PROJECTS

PORTFOLIO WEBSITE

Designed and developed a responsive personal portfolio website featuring modern UI design, animated backgrounds, interactive navigation, and mobile responsiveness.

WEB APPLICATION

Created web-based projects using HTML, CSS, and JavaScript focusing on user-friendly interfaces and responsive layouts.

PYTHON PROJECTS

Developed beginner-level Python applications to strengthen programming and problem-solving skills.

CAREER OBJECTIVE

To build a successful career in the IT industry by continuously improving my technical skills, gaining practical experience, and contributing to innovative software and web development projects.

DEDICATION

Committed to continuous learning and excellence.

PASSION

Passionate about technology, programming and innovation.

GOAL

To build impactful digital solutions for the future.

◇ Technology is not just my field of study—it's my passion and future. ◇
